

## **AWARDS**

**Preservation Pennsylvania:** 2013 Industrial Properties Construction Project Award for Outstanding Preservation, Restoration or Rehabilitation. Since 1979, the Preservation Pennsylvania's Pennsylvania Historic Preservation Awards have honored individuals and organizations that exhibited excellence in the field of historic preservation.

***The World of Masonry Construction:*** 2012 Project of the Year. "*Masonry Construction* magazine's Project of the Year winners showcase the significant contributions the masonry industry makes to the advancements in architectural design. These projects demonstrate cooperation between the mason contractor, materials suppliers, design engineers, and architect," Editor Rick Yelton.
