**RESOLUTION NUMBER 1454**

Mr. Heckman stated that the RDA Board has been asked to review and consider for approval Resolution Number 1454, which revises the payment schedule to Greenway Commons as detailed in previously approved RDA Resolution Number 1444.

Mr. Hanna explained that last year a payment plan was created, as part of Resolution Number 1444, to reimburse Greenway Commons for site clean-up using TIF funds. Mr. Hanna further explained that based upon this original payment schedule, the RDA was supposed to pay \$350,000 this year toward this obligation; however, due to the less than expected collection of TIF revenues this year he was able to renegotiate this payment. As a result, Greenway Commons will receive \$250,000 during 2018 and 2019 rather than the original \$350,000 and \$150,000 amounts indicated in the originally approved Resolution Number 1444.

Following this presentation and explanation, Mr. Bethel presented the following resolution and moved for its adoption by the Board.

WHEREAS, the Greenway Commons project is a mixed-use Redevelopment project located in the Bethlehem Works Redevelopment Area, consisting of 95 apartments and 15,000 square feet of street level retail, on former Bethlehem Steel properties; and

WHEREAS, Greenway Commons is a key Redevelopment project for the City of Bethlehem and the Redevelopment Authority of the City of Bethlehem that puts a vacant, underutilized parcel back to more use and is consistent with the plan to repurpose former Bethlehem Steel properties; and

WHEREAS, Resolution Number 1444 was passed at a duly called, advertised, and lawful meeting of the Redevelopment Authority of the City of Bethlehem on September 21, 2017; and

WHEREAS, the total cost of Greenway Commons Phase I is \$22,000,000 and the developer is seeking \$800,000 in TIF funding for eligible site development and site remediation expenses; and

WHEREAS, the payment schedule for the annual installments for the funding for the work is proposed to be modified as noted below.

NOW, THEREFORE, BE IT RESOLVED, that the Redevelopment Authority of the City of Bethlehem, having approved the expenditure of \$800,000 in TIF funding for eligible site development and site remediation expenses, and having made a payment of \$300,000 in September 2017, will make 2 additional installments of \$250,000 in August 2018 and \$250,000 in July of 2019.

(Resolution Number 1454)

Mr. Spadoni seconded the motion. The motion was unanimously approved. Resolution Number 1454 was unanimously adopted by the RDA.

**RESOLUTION NUMBER 1455**

Mr. Heckman stated that the RDA has been asked to review and consider for approval Resolution Number 1455, which approves an Agreement of Understanding, Interpretation and Amendment between the RDA and Peron Armory, LP as it pertains to the Bethlehem Armory sale.

Mr. Hanna and Mr. Riskin explained that if the major change from the Agreement of Sale is separate certification of completions will be provided for this project as work is completed. It was noted that a certification of completion will now be issued after the Armory work is completed and another will be issued after the remaining work at the site is completed, rather than having to complete the entire project for a certification of completion to be issued. Mr. Hanna added that the former Armory drill hall will become an art studio with the artist residing there as well as having his working studio located there. He noted that this use should alleviate the parking and other concerns neighbors expressed about the development of this site.
